Being ready to address different scenarios in collaboration with first responders and relevant community agencies takes considerable preparation on the part of school and district staff. The district engages with an ongoing emergency management cycle in order to provide thoughtful and effective emergency response to our schools and district facilities. All school district facilities must have staff trained in how to manage emergency situations that may

Activated when the building or area becomes unsafe. In an evacuation, students

The district Student Reunification Protocol requires the establishment of a designated area for staff and students to gather in the event of an emergency that requires evacuation of a district facility and activation of the protocol. The district is committed to the reunification of students with their parents as quickly as possible. Supervision of students until they are safely reunited with their parents or designated caregiver is the responsibility of school staff.

The following elements will require attention post-event:

- Emotional and psychological supports.
- Physical and structural needs of district facilities.
- Continuity of operations (e.g., alternate site arrangements).
- Restoring learning.
- Debriefing to support moving forward.
